About me

Computer Engineering Student passionate about software development. Proficient in a range of modern technologies including Java ,Python,Web Development and Android Development.

Education

NDMVP KBTCOE College Of Engineering

Bachelor of Engineering (B.E), Computer Engineering • Nashik, Maharashtra

06/2023

- SGPA:9.34

K. K. Wagh Polytechnic

Diploma, Computer Technology • Nashik, Maharashtra

11/2020

- Percentage:90.11

New Era English School

Secondary (X) • Nashik, Maharashtra

07/2017

- Percentage:81.60

Skills

- C
- Java
- Data Structure & Algorithm
- CSS
- Mysql
- DBMS
- Android
- C++
- Python
- HTML
- Javascript
- PHP
- OOPS Concepts
- Web Development

Projects

Portfolio Website

05/2021 - 07/2021

- Portfolio Website was made by me to show my online Presence. Included modules in Portfolio Website are Home Page ,About ,Skills,Certificates, Projects ,Contact me.
- Tech Involved:- HTML,CSS,JavaScript

Digital Fuel Verification along with its Monitoring

Team Leader

05/2019 - 02/2020

- In this project we made a fully functional prototype of a new Fuel level Detection method for vehicle. In this project we can check the fuel level of a vehicle in terms of ml the value of fuel present in the tank is displayed digitally on a Digital meter.
- Also included more features in the projects like by clicking a button user can send a message to a register mobile number in the message location of vehicle is send this feature can be used in

emergency situations .If fuel theft occurs a message go to user that fuel theft is occurred with vehicle location.

- For implementing this projects components used are Arduino, GPS Modem ,GSM Modem, Ultra Sonic Sensor as hardware Components .C++ for software integration with hardware

Achievements

Secured First rank in Project Competition National Level (2020)

Competition organized by Sandip Foundation at National Level event name Tech Fight 2020 for project Digital Fuel Verification along with its Monitoring[[Certificate](#)]

Secured First rank in Paper Presentation National Level (2020)

Secured First rank in Paper Presentation organized by SIEM college at National Level event name Drishti[[Certificate](#)]

Secured Second Prize Paper Presentation State Level(2020)

Secured Second Rank for Paper Presentation organized by Sandip Polytechnic college event name Technical Fest 2020[[Certificate](#)]

Certificates

Google Digital Garage (05/2020 - 06/2020)

Google Digital Garage, Online[[Certificate](#)]

Java SE 8 Fundamental (05/2019 - 06/2019)

Oracle Workforce Development Program,
Nashik[[Certificate](#)]
